

“Running to Field a Difference”

Crossroads Track & Field (CTF) is based in Vandalia, Ohio and was founded in 2021.

This program was established with the focus of giving back to the local community by using the sport of Track and Field to teach our youth the importance of living a healthy lifestyle, staying active, hard work and most importantly learning to believe in themselves.

CTF is a member of the USA Track and Field (USATF) organization and offers outdoor Track and Field along with Cross Country opportunities.
